

## Pupil Premium Strategy 2018 - 2019

|   | Lent Rise School's Pupil Premium Action Plan                     |  |  |  |  |  |  |
|---|--|--|--|--|--|--|--|
| Head teacher:                                 | Jill Watson  |  |  |  |  |  |  |
| Chair of Governors:                           | Maggie Young   |  |  |  |  |  |  |
| Date last reviewed:                           | December 2018  |  |  |  |  |  |  |
| Date of next review:                          | March 2019 (half termly checks with reviews at end of each term) |  |  |  |  |  |  |
| Pupil Premium Profile 2018-19                 |  |  |  |  |  |  |  |
| Number of eligible pupils:                    | 38   |  |  |  |  |  |  |
| Amount per pupil:                             | £1320/£2300  |  |  |  |  |  |  |
| Total pupil premium budget:                   | £58000   |  |  |  |  |  |  |
|   | Barriers to Learning   |  |  |  |  |  |  |
| Parental confidence assisting children at hor | ne with varied support   |  |  |  |  |  |  |
| Mid-year or late admissions into the school y | ear  |  |  |  |  |  |  |
| Lower engagement in reading resulting in a l  | ower level of oral skills and development                        |  |  |  |  |  |  |
| Poor attendance rate and late arrival to scho | pol  |  |  |  |  |  |  |
| Social, emotional, mental and physical healt  | h issues such as poor self-esteem and behavioural needs          |  |  |  |  |  |  |
| Possible attachment issues leading to poor b  | ehaviour and concentration                                       |  |  |  |  |  |  |
| Lower engagement in learning for some pupi    | ls   |  |  |  |  |  |  |
| Independent learning skills are not as develo | ped, as a result lower progress                                  |  |  |  |  |  |  |
| Lack of resources to use at home and arrivin  | g unprepared for school (missing uniform, lack of breakfast etc) |  |  |  |  |  |  |
| Lack of communication due to over use of te   | chnology   |  |  |  |  |  |  |

## **Executive Summary**

The aim and goal for our funding this year is to continue developing the improvements we as a school have made over the past few years with our pupil premium group. We hope to build upon the strong bonds we have already established with parents so that they understand what their child needs to do in order to achieve their full potential and feel confident in their own ability to make this possible. We aim to achieve this by offering places in our breakfast and after school clubs to all children who receive free schools meals and to extend this out further where appropriate. This will help improve the children's attendance rates and enhance links already created with parents, as well as help with homework return rate. We will run IMPACT workshops for parents and children to support the pupils writing attainment and progress as well as educating parents about how to help support their child with their writing. We hope through further interaction with parents regarding their child's learning that this will lead to better academic success at home and at school.

Having higher expectations last year enabled more children to make better progress and this is something that we will further encourage during this academic year by expecting pupils to make 7 steps progress across each area in Reading, Writing and Maths. This will be achieved by the continuation of Gap Busting to ensure there are no gaps in the children's knowledge through same day interventions in Maths and English. Pupil premium children will be in every booster (where appropriate), either as the learner or teaching others every day, and this should further support and address any misconceptions they have. This will be further reinforced by phone calls to their parents to share their progress in Autumn 2 and Spring 2 as well as discussing any other concerns or asking questions.

Y6 children will be offered a club to help them prepare for the SATS and secondary school, as well as develop their social, communication skills, in addition to building bonds and having fun.

The impact on pupil progress and pupil outcomes is regularly monitored by SLT and the Pupil Premium Coordinator and this will be shared with governors and staff when necessary throughout the year. Our teaching assistants are deployed strategically to support individuals and groups working alongside the teachers to provide tailored support and will be trained on target tracker to aid teachers in assessment and to develop their own confidence on assessing and supporting individuals.

We are working to increase community involvement through developing links with secondary school pupil premium coordinators and through targeted use of volunteers to support children with reading. This we hope will: develop the children's attitudes to learning; improve their mind-set; and give them greater aspirations for the future.

We will measure impact through attendance, attainment and progress as well as wellbeing measures.

| Strategy   | Outcomes and success<br>criteria   | Owner               | Milestones   | Impact   | Review<br>date | Total<br>cost |
